### Notice of Public Meeting

The Board of Directors of the Arkansas Science & Technology Authority will be meeting on Friday, January 21 at 1:30 p.m. in the 4th Floor conference room of the Science & Technology Building, 100 Main Street, downtown Little Rock. A 10:30 a.m. planning and policy meeting will precede the Board Meeting in the same room.

In addition to usual business activity, such as the review of quarterly financial reports, the Research Committee will present funding recommendations for projects submitted and reviewed under the Authority's Basic and Applied Research Grants Programs. In addition, the Authority's Investment Committee will present its recommendations concerning the Technology Transfer Assistance Grant Program rules, which were updated following the required public comment period in December and January. The Board will also consider a project proposal submitted under the Agency's Technology Development Program. For additional information on this meeting, please call the Authority's office at 324-9006.

*The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.*
