Re: Meetings

Authority Sets Meeting Dates for March

The Board of Directors for the Arkansas Science & Technology Authority will hold its regularly scheduled meeting on Friday, March 20, 1998, at 1:30 p.m. The Authority Board will meet in the fourth floor conference room at 100 Main Street in Little Rock.

In addition to the Authority Board meeting, the following committees have scheduled meetings during the month of March:

Manufacturing Resource Advisory Committee (MRAC), Arkansas Manufacturing Extension Network (Network)

Wednesday, March 11, 10 a.m., Tech. Engineering Building (#11), Southern Arkansas University-Tech, Camden

Authority Investment Committee

Friday, March 13, 2 p.m., 100 Main Street, Suite 450, Little Rock (teleconference)

Authority Industry Committee

Friday, March 20, 10 a.m., 100 Main Street, Suite 450, Little Rock

The public and media are invited to attend. For additional details, contact Melissa Adams, Executive Secretary, or Robert J. Alvey, Communication Programs Manager, both with the Arkansas Science & Technology Authority.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
